

primary care.

convenient wellness screenings and routine care.

Schedule an appointment with a board-certified MDLIVE primary care doctor at a time that works for you. Anytime. Anywhere.

ANNUAL WELLNESS SCREENINGS

With MDLIVE Primary Care, your doctor will help identify potential health issues and discuss ways to improve your health based on your lifestyle and lab results. In addition, your doctor will:

- Review your completed Health Risk Assessment (HRA)
- Review your wellness panel labs (you complete your lab visit prior to your screening)
- Order additional labs and prescriptions, if necessary¹

ROUTINE CARE

You can have ongoing, regular appointments with the same MDLIVE doctor who can help you manage your health and chronic conditions, including:

- Asthma
- Diabetes (Type 2)
- And more
- Depression
- Thyroid Conditions

24/7 URGENT CARE

In addition to MDLIVE Primary Care appointments, MDLIVE is a reliable and affordable alternative to urgent care clinics or the ER with on-demand 24/7 care for more than 80 common, non-emergency conditions. Talk to a board-certified doctor in minutes when you need care fast, including prescriptions.¹

HOW MDLIVE PRIMARY CARE FITS YOUR LIFE:

See a board-certified doctor from the comfort of home when it works best for you.

Get care without long waits in a doctor's office with other sick people.

Referrals to specialists are provided if needed.

You can see the same doctor every time, and your appointment records can be shared with your local primary care doctor at your request.

No surprise costs. Pricing information is always provided upfront.

Get a personalized plan for living a healthy life.
